

Mount'n Tilt - Tabletop Mounting

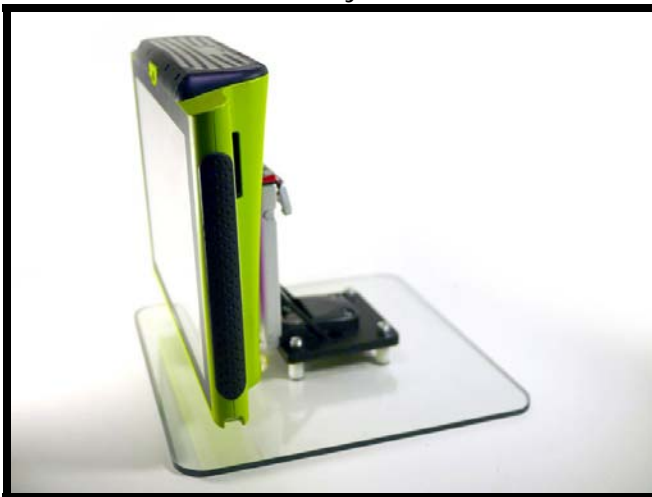

The Mount'n Tilt is the Mount'n Mover "table-top" solution that works great on any desk, or even in bed or on your lap!

Compatible with any other Blue Sky Designs Quick Release Plate, you can quickly switch out between reading, communication, work on the computer or just having fun with your iPad.

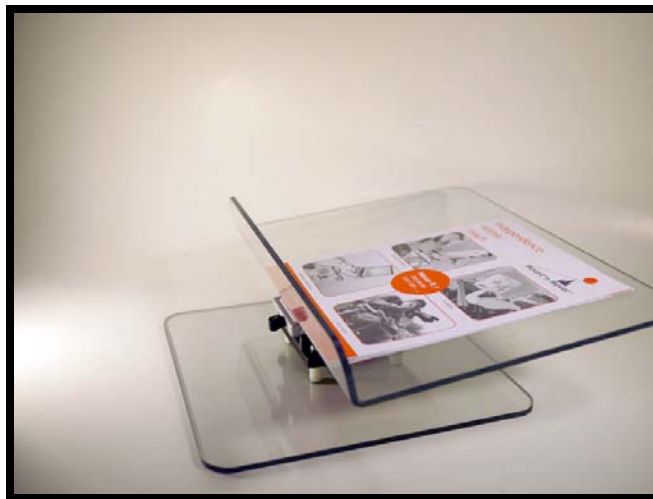

(shown with only the Quick Release Plate, tilts and locks anywhere from 0° to 90°)
